Audit for an impact for the public

INDEPENDENT AUDITOR'S REPORT

To the Readers of

**Kiribati Coconut Development Ltd Financial Statements
for the year ended 31st December 2016**

I have audited the Financial Statements of **Kiribati Coconut Development Ltd (KCDL)** for the year ended 31st Dec, 2016 in accordance with sec 114 (2) of the Constitution, Part VII, Sec 42(4) of the Public Finances (Control and Audit) 1981, Sec 22(1) of the Kiribati Audit Act, 2017. The Financial Statements comprise of the following:

- Statement of Financial Performance
- Statement of Financial Position
- Notes to the Accounts

Disclaimer of Opinion

I do not express an opinion on the accompanying Consolidated Financial Statement of the Kiribati Coconut Development Ltd for the year ended 31st December 2016 (*merged Financial Statements of Kiribati Copra Mill Co. Ltd and Kiribati Copra Cooperative Society*). Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

The following issues formed the basis of our disclaimer opinion:

- Matching of the General Ledger balances to the Financial Statements for the years 2016 showed significant variances. This has raised doubts as to the accuracy of the Consolidated Financial statements for the year 2016.

- Cashflow Statement for both KCMCL and KCCS for the year 2016 was not submitted.
- Stock balance was not reported in the KCMCL Financial Statements.
- We cannot verify KCCS Cost of Goods Sold breakdown as amounts shown in the notes did not match Financial Statements figures.
- Fixed assets net balance for KCMCL of \$717k cannot be verified as the corresponding note balance was \$713k. In addition, we also noted significant differences in our audit calculation of Depreciation and Net Book Value of Fixed assets for both KCMCL and KCCS.
- In addition to the above, we also noted the following missing documents which had hindered the audit from carrying out testing on related accounts:
 - KCCS Receipt and Deposits for January to December.
 - PV # 101-400,501-600,851-900 for KCCS.
 - Bank Statements for KCCS February to December 2016
 - Fixed assets Register for KCCS 2016
 - Updated Debtors individual ledgers for KCCS 2016

I have conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAI). My responsibilities under those standards are described in the Auditor's Responsibilities paragraph of my report.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of the Company's financial statements in accordance with International Standards on Auditing and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Kiribati and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Communication with those charged with governance

I communicate with the Board of Directors and Managements regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

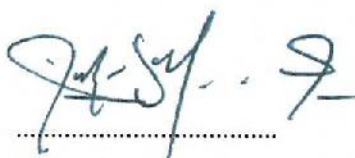

Report on other Legal and Regulatory Requirements

KCDL lodged its 2016 Financial Statements for audit on 24th August 2018, therefore indicated KCDL's non-compliance with Section 20 of SOE Act 2013.

Independence

Section 114 (4) of the Kiribati Constitution stipulates that the Auditor General shall not be subject to the direction or control of any other person or authority.

Other than the audit, we have no relationship with or interest in KCDL.

Eriati Tauma Manaima
Auditor General
