**INDEPENDENT AUDITOR'S REPORT  
Betio Shipyard Ltd Financial Statements  
For the years ended 31<sup>st</sup> August 2014 to 2017**

I have audited the Financial Statements of **Betio Shipyard Ltd (BSL)** for the years ended 31<sup>st</sup> August 2014 to 31<sup>st</sup> August 2017 in accordance with sec 114 (2) of the Constitution, Part VII, Sec 42(4) of the Public Finances (Control and Audit) 1981, Sec 22(1) of the Kiribati Audit Act, 2017. The Financial Statements comprise of the following:

- Statement of Financial Performance
- Statement of Financial Position
- Statement of Cash Flow
- Notes to the Accounts

**Disclaimer of Opinion:**

**I do not express an opinion** on the accompanying financial statements of BSL. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

**Basis for Disclaimer of Opinion:**

The following issues formed the basis of our disclaimer opinion:

- There were significant variances found when matching of the General Ledger balances to the Financial Statements for the years 2014 to 2017, thus raised doubts as to the accuracy of the Financial Statements for those years.
- In addition, we were also unable to substantiate Financial Statement balances due to the following missing records:
  - Stock records for 2014-2017
  - Bank Reconciliations for 2014-2017
  - Payment Vouchers for 2014
  - Debtors listing for 2014

- Payment Vouchers for Sept 2015 to May 2016
- Cheque butts from 1/1/2014 to 01/04/2014
- Cheque butts from 01/01/2015 to 29/05/2016
- Deposit books for the years 2014 to 2017
- Most of the Board minutes for 2014 to 2017 were missing.
- Fixed Asset register for the years 2014-2017

I have conducted my audit in accordance with International Standards of Supreme Audit Institutions (ISSAI). My responsibilities under those standards are described in the Auditor's Responsibilities paragraph of my report.

#### **Board of Directors and Management's responsibilities for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

#### **Auditor General's responsibilities for the audit of the financial statements of the Company**

My responsibility is to conduct an audit of the BSL's financial statements in accordance with International Standards of Supreme Audit Institutions (ISSAI) and to express an independent opinion on these Financial Statements and reporting that opinion to you as required under the Public Finance (Control and Audit) Ordinance 1976 and Kiribati Audit Act, 2017.

However, because of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

I am independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Kiribati and we have fulfilled our other ethical responsibilities in accordance with these requirements.

#### **Communication with those charged with governance**

I communicate with the Board of Directors and Managements regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

**Reports on Legal and other regulatory requirements.**

BSL Financial Reports for the years ended 31<sup>st</sup> August, 2014 to 2017 were submitted 2<sup>nd</sup> September, 2020. This had therefore indicated failure of Management and Board to submit Financial Statements on time and in accordance with requirements specified under Sec.20 of the SOE Act, 2013.

**Independence**

Section 114 (4) of the Kiribati Constitution stipulates that the Auditor General shall not be subject to the direction or control of any other person or authority.

Other than the audit, we have no relationship with or interest in BSL.

## **FOR THE YEAR ENDED 31 AUGUST 2014**

### **INDEPENDENT AUDIT REPORT FOR THE YEAR ENDED 31 AUGUST 2014**

---

#### **Scope**

We have audited the Financial Statements of Betio Shipyard Limited for the year ended 31 December 2015 as set out on pages 5 to 13. The company's directors are responsible for the preparation and presentation of the Financial Statements and the information they contain. We have conducted an independent audit of these Financial Statements in order to express an opinion on them to the members of the company.

Our audit has been conducted in accordance with Generally Accepted Accounting Standards in Kiribati to provide reasonable assurance as to whether the Financial Statements are free of material misstatement. Our procedures included examination on a test basis of evidence supporting the amounts and other disclosures in the Financial Statements and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether in all material respects, the Financial Statements are presented fairly in accordance with Generally Accepted Accounting Standards and statutory requirements in Kiribati so as to present a view which is consistent with our understanding of the company's financial position, the results of its operations, changes in equity and its cash flows.

The audit opinion expressed in this report has been formed on the above basis.

#### **Audit Opinion**

In our opinion,

- a) proper books of account have been kept by the company, so far as it appears from our examination of those books, and
- b) the accompanying Financial Statements which have been prepared in accordance with Generally Accepted Accounting Standards in Kiribati:
  - i) are in agreement with the books of account;
  - ii) to the best of our information and according to the explanations given to us:
    - a) give a true and fair view of the state of affairs of the company as at 31 December 2015 and of the results, cash flows and changes in equity of the company for the year ended on that date;
    - b) give the information required by the Companies Ordinance 1979 in the manner so required.

We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

## BETIO SHIPYARD LIMITED

### NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2014

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted by the company is set out in this note. The policies adopted are in accordance with accounting principles generally accepted in Kiribati, and unless stated otherwise are consistent with those applied in the prior year.

##### 1.1) General

The Betio Shipyard Limited was incorporated under the Companies Ordinance in 1950. The company is fully owned by Government of Kiribati. As stated in the articles in its articles of association, the function of the company are to repair steel ships and fabrication of wooden and steel boats.

##### 1.2) Basis of preparation of the financial statements

The financial statements have been prepared in accordance International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB), with the historical cost accounting and do not take into account changing money values or current valuations of non-current assets unless otherwise stated.

The financial statements have been prepared on a historical cost basis except for properties and certain office properties (classified as property, plants and equipment) that have been measured at fair value. The financial statement are presented in Australian Dollars and all values are rounded to the nearest dollar, except when otherwise indicated.

The financial statements provide comparative information in respect of the previous period and where necessary, comparative figures have been re-grouped to conform with changes in presentation in the current year.

##### 1.3) Property, plant and equipment

Property, plant and equipment are depreciated on a straight line basis at rates calculated to write off each asset over its estimated useful life. The rates in use are as follows:-

|                      |     |
|----------------------|-----|
| Building             | 1%  |
| Plant and Equipment  | 20% |
| Office equipment     | 25% |
| Furniture & Fittings | 20% |
| Slipway              | 2%  |
| Motor Vehicles       | 20% |

##### 1.4) Income tax

The company does not follow the principals of tax effect accounting. Income tax is calculated on the basis of reported incomes only.

##### 1.5) Foreign Currency

Foreign currency transactions during the year are recorded using the rate of exchange prevailing at the date of the transactions. At balance sheet date amounts receivable and payable in foreign currencies are translated at the exchange rates prevailing on that date. Exchange differences are taken directly to the profit and loss statement.

##### 1.6) Borrowing Costs

The borrowing costs that are directly attributable to the acquisition or construction of the capital assets are capitalised. Other borrowing costs are recognised as an expense in the year in which they are incurred.

### NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 AUGUST 2014

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *continued*

##### 1.7) Inventories

Stock on hand has been valued on the basis of lower of cost and net realizable value

##### 1.8) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and that the revenue can be reliably measured, regardless of when the payment is received and when specific criteria have been met for each of the company's activities as described below. Revenue is shown net of Value Added Tax (VAT), returns, rebates and discounts.

Revenue is measured at the fair value of the consideration received or receivable for the sale of goods and services in the ordinary course of the company's activities.

##### i) *Sale of Goods and Services*

Revenue from Direct sales is recognised when the significant risks and rewards of ownership are transferred to the buyer, there is no continuing managerial involvement, costs can be measured reliably, and receipt of the future economic benefits is probable.

##### ii) *Government Subsidy*

Government subsidy is recognised where there is reasonable assurance that the subsidy will be received and all attached conditions will be complied with. When the subsidy relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

##### iii) *Miscellaneous Income*

Miscellaneous income is a group is small income derived from small works from the workshop and is it recognised where there is reasonable assurance that the income will be received

##### 1.19) Cash and cash equivalents

Cash and cash equivalents comprises cash at bank and on hand, demand deposits, and short-term, highly liquid investments that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value. These also include Bank Overdrafts that form an integral part of the business's cash management.

##### 1.20) Allowance for Doubtful Debts

The company establishes an allowance for any doubtful debts based on a review of all outstanding amounts, either individually or collectively, at year end or based on government policy. Bad debts are written off during the period when they are identified.

The company periodically assesses whether there is any objective evidence of impairment. Trade and other receivables are presented net of allowances for doubtful debts.

All other trade and other receivables that do not have an individually assessed allowance are assessed collectively for impairment. Collectively assessed allowances are maintained to reduce the carrying amount of portfolios of similar trade and other receivables to their estimated recoverable amounts at balance date.

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2015

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted by the company is set out in this note. The policies adopted are in accordance with accounting principles generally accepted in Kiribati, and unless stated otherwise are consistent with those applied in the prior year.

#### 1.1) General

The Betio Shipyards Limited was incorporated under the Companies Ordinance in 1950. The company is fully owned by Government of Kiribati. As stated in the articles of association, the function of the company are to repair steel ships and fabrication of wooden and steel boats.

#### 1.2) Basis of preparation of the financial statements

The financial statements have been prepared in accordance International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB), with the historical cost accounting and do not take into account changing money values or current valuations of non-current assets unless otherwise stated.

The financial statements have been prepared on a historical cost basis except for properties and certain office properties (classified as property, plants and equipment) that have been measured at fair value. The financial statement are presented in Australian Dollars and all values are rounded to the nearest dollar, except when otherwise indicated.

The financial statements provide comparative information in respect of the previous period and where necessary, comparative figures have been re-grouped to conform with changes in presentation in the current year.

#### 1.3) Property, plant and equipment

Property, plant and equipment are depreciated on a straight line basis at rates calculated to write off each asset over its estimated useful life. The rates in use are as follows:-

|                      |     |
|----------------------|-----|
| Building             | 1%  |
| Plant and Equipment  | 20% |
| Office equipment     | 25% |
| Furniture & Fittings | 20% |
| Slipway              | 2%  |
| Motor Vehicles       | 20% |

#### 1.4) Income tax

The company does not follow the principals of tax effect accounting. Income tax is calculated on the basis of reported incomes only.

#### 1.5) Foreign Currency

Foreign currency transactions during the year are recorded using the rate of exchange prevailing at the date of the transactions. At balance sheet date amounts receivable and payable in foreign currencies are translated at the exchange rates prevailing on that date. Exchange differences are taken directly to the profit and loss statement.

#### 1.6) Borrowing Costs

The borrowing costs that are directly attributable to the acquisition or construction of the capital assets are capitalised. Other borrowing costs are recognised as an expense in the year in which they are incurred.

### NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 AUGUST 2015

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *continued*

##### 1.7) Inventories

Stock on hand has been valued on the basis of lower of cost and net realizable value

##### 1.8) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and that the revenue can be reliably measured, regardless of when the payment is received and when specific criteria have been met for each of the company's activities as described below. Revenue is shown net of Value Added Tax (VAT), returns, rebates and discounts.

Revenue is measured at the fair value of the consideration received or receivable for the sale of goods and services in the ordinary course of the company's activities.

##### i) *Sale of Goods and Services*

Revenue from Direct sales is recognised when the significant risks and rewards of ownership are transferred to the buyer, there is no continuing managerial involvement, costs can be measured reliably, and receipt of the future economic benefits is probable.

##### ii) *Government Subsidy*

Government subsidy is recognised where there is reasonable assurance that the subsidy will be received and all attached conditions will be complied with. When the subsidy relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

##### iii) *Miscellaneous Income*

Miscellaneous income is a group of small income derived from small works from the workshop and is recognised where there is reasonable assurance that the income will be received

##### 1.19) Cash and cash equivalents

Cash and cash equivalents comprises cash at bank and on hand, demand deposits, and short-term, highly liquid investments that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value. These also include Bank Overdrafts that form an integral part of the business's cash management.

##### 1.20) Allowance for Doubtful Debts

The company establishes an allowance for any doubtful debts based on a review of all outstanding amounts, either individually or collectively, at year end or based on government policy. Bad debts are written off during the period when they are identified.

The company periodically assesses whether there is any objective evidence of impairment. Trade and other receivables are presented net of allowances for doubtful debts.

All other trade and other receivables that do not have an individually assessed allowance are assessed collectively for impairment. Collectively assessed allowances are maintained to reduce the carrying amount of portfolios of similar trade and other receivables to their estimated recoverable amounts at balance date.

## NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 AUGUST 2015

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *continued*

#### 1.21) Foreign Currency Translation

##### i) *Transaction and balances*

All foreign currency transactions during the financial year are brought to account using the exchange rate in effect at the date of the transaction. Foreign currency monetary items at reporting date are translated at the exchange rate existing at reporting date. Non-monetary assets and liabilities carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Exchange differences are recognised in the statements of profit or loss in the period in which they arise.

## BETIO SHIPYARD LIMITED

### NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2016

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted by the company is set out in this note. The policies adopted are in accordance with accounting principles generally accepted in Kiribati, and unless stated otherwise are consistent with those applied in the prior year.

##### 1.1) General

The Betio Shipyards Limited was incorporated under the Companies Ordinance in 1950. The company is fully owned by Government of Kiribati. As stated in the articles in its articles of association, the function of the company are to repair steel ships and fabrication of wooden and steel boats.

##### 1.2) Basis of preparation of the financial statements

The financial statements have been prepared in accordance International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB), with the historical cost accounting and do not take into account changing money values or current valuations of non-current assets unless otherwise stated.

The financial statements have been prepared on a historical cost basis except for properties and certain office properties (classified as property, plants and equipment) that have been measured at fair value. The financial statement are presented in Australian Dollars and all values are rounded to the nearest dollar, except when otherwise indicated.

The financial statements provide comparative information in respect of the previous period and where necessary, comparative figures have been re-grouped to conform with changes in presentation in the current year.

##### 1.3) Property, plant and equipment

Property, plant and equipment are depreciated on a straight line basis at rates calculated to write off each asset over its estimated useful life. The rates in use are as follows:-

|                      |     |
|----------------------|-----|
| Building             | 1%  |
| Plant and Equipment  | 20% |
| Office equipment     | 25% |
| Furniture & Fittings | 20% |
| Slipway              | 2%  |
| Motor Vehicles       | 20% |

##### 1.4) Income tax

The company does not follow the principals of tax effect accounting. Income tax is calculated on the basis of reported incomes only.

##### 1.5) Foreign Currency

Foreign currency transactions during the year are recorded using the rate of exchange prevailing at the date of the transactions. At balance sheet date amounts receivable and payable in foreign currencies are translated at the exchange rates prevailing on that date. Exchange differences are taken directly to the profit and loss statement.

##### 1.6) Borrowing Costs

The borrowing costs that are directly attributable to the acquisition or construction of the capital assets are capitalised. Other borrowing costs are recognised as an expense in the year in which they are incurred.

## BETIO SHIPYARD LIMITED

### NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 AUGUST 2016

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *continued*

##### 1.7) Inventories

Stock on hand has been valued on the basis of lower of cost and net realizable value

##### 1.8) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and that the revenue can be reliably measured, regardless of when the payment is received and when specific criteria have been met for each of the company's activities as described below. Revenue is shown net of Value Added Tax (VAT), returns, rebates and discounts.

Revenue is measured at the fair value of the consideration received or receivable for the sale of goods and services in the ordinary course of the company's activities.

##### i) *Sale of Goods and Services*

Revenue from Direct sales is recognised when the significant risks and rewards of ownership are transferred to the buyer, there is no continuing managerial involvement, costs can be measured reliably, and receipt of the future economic benefits is probable.

##### ii) *Government Subsidy*

Government subsidy is recognised where there is reasonable assurance that the subsidy will be received and all attached conditions will be complied with. When the subsidy relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

##### iii) *Miscellaneous Income*

Miscellaneous income is a group of small income derived from small works from the workshop and is recognised where there is reasonable assurance that the income will be received

##### 1.19) Cash and cash equivalents

Cash and cash equivalents comprises cash at bank and on hand, demand deposits, and short-term, highly liquid investments that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value. These also include Bank Overdrafts that form an integral part of the business's cash management.

##### 1.20) Allowance for Doubtful Debts

The company establishes an allowance for any doubtful debts based on a review of all outstanding amounts, either individually or collectively, at year end or based on government policy. Bad debts are written off during the period when they are identified.

The company periodically assesses whether there is any objective evidence of impairment. Trade and other receivables are presented net of allowances for doubtful debts.

All other trade and other receivables that do not have an individually assessed allowance are assessed collectively for impairment. Collectively assessed allowances are maintained to reduce the carrying amount of portfolios of similar trade and other receivables to their estimated recoverable amounts at balance date.

## NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 AUGUST 2016

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *continued*

#### 1.21) Foreign Currency Translation

##### i) *Transaction and balances*

All foreign currency transactions during the financial year are brought to account using the exchange rate in effect at the date of the transaction. Foreign currency monetary items at reporting date are translated at the exchange rate existing at reporting date. Non-monetary assets and liabilities carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Exchange differences are recognised in the statements of profit or loss in the period in which they arise.

## **FOR THE YEAR ENDED 31 AUGUST 2017**

### **INDEPENDENT AUDIT REPORT FOR THE YEAR ENDED 31 AUGUST 2017**

---

#### **Scope**

We have audited the Financial Statements of Betio Shipyard Limited for the year ended 31 August 2017 as set out on pages 5 to 13. The company's directors are responsible for the preparation and presentation of the Financial Statements and the information they contain. We have conducted an independent audit of these Financial Statements in order to express an opinion on them to the members of the company.

Our audit has been conducted in accordance with Generally Accepted Accounting Standards in Kiribati to provide reasonable assurance as to whether the Financial Statements are free of material misstatement. Our procedures included examination on a test basis of evidence supporting the amounts and other disclosures in the Financial Statements and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether in all material respects, the Financial Statements are presented fairly in accordance with Generally Accepted Accounting Standards and statutory requirements in Kiribati so as to present a view which is consistent with our understanding of the company's financial position, the results of its operations, changes in equity and its cash flows.

The audit opinion expressed in this report has been formed on the above basis.

#### **Audit Opinion**

In our opinion,

- a) proper books of account have been kept by the company, so far as it appears from our examination of those books, and
- b) the accompanying Financial Statements which have been prepared in accordance with Generally Accepted Accounting Standards in Kiribati:
  - i) are in agreement with the books of account;
  - ii) to the best of our information and according to the explanations given to us:
    - a) give a true and fair view of the state of affairs of the company as at 31 December 2015 and of the results, cash flows and changes in equity of the company for the year ended on that date;
    - b) give the information required by the Companies Ordinance 1979 in the manner so required.

We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

## BETIO SHIPYARD LIMITED

### NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2017

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted by the company is set out in this note. The policies adopted are in accordance with accounting principles generally accepted in Kiribati, and unless stated otherwise are consistent with those applied in the prior year.

##### 1.1) General

The Betio Shipyards Limited was incorporated under the Companies Ordinance in 1950. The company is fully owned by Government of Kiribati. As stated in the articles of association, the function of the company are to repair steel ships and fabrication of wooden and steel boats.

##### 1.2) Basis of preparation of the financial statements

The financial statements have been prepared in accordance International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB), with the historical cost accounting and do not take into account changing money values or current valuations of non-current assets unless otherwise stated.

The financial statements have been prepared on a historical cost basis except for properties and certain office properties (classified as property, plants and equipment) that have been measured at fair value. The financial statement are presented in Australian Dollars and all values are rounded to the nearest dollar, except when otherwise indicated.

The financial statements provide comparative information in respect of the previous period and where necessary, comparative figures have been re-grouped to conform with changes in presentation in the current year.

##### 1.3) Property, plant and equipment

Property, plant and equipment are depreciated on a straight line basis at rates calculated to write off each asset over its estimated useful life. The rates in use are as follows:-

|                      |     |
|----------------------|-----|
| Building             | 1%  |
| Plant and Equipment  | 20% |
| Office equipment     | 25% |
| Furniture & Fittings | 20% |
| Slipway              | 2%  |
| Motor Vehicles       | 20% |

##### 1.4) Income tax

The company does not follow the principals of tax effect accounting. Income tax is calculated on the basis of reported incomes only.

##### 1.5) Foreign Currency

Foreign currency transactions during the year are recorded using the rate of exchange prevailing at the date of the transactions. At balance sheet date amounts receivable and payable in foreign currencies are translated at the exchange rates prevailing on that date. Exchange differences are taken directly to the profit and loss statement.

##### 1.6) Borrowing Costs

The borrowing costs that are directly attributable to the acquisition or construction of the capital assets are capitalised. Other borrowing costs are recognised as an expense in the year in which they are incurred.

### NOTES TO THE FINANCIAL STATEMENTS (continued)

FOR THE YEAR ENDED 31 AUGUST 2017

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *continued*

##### 1.7) Inventories

Stock on hand has been valued on the basis of lower of cost and net realizable value

##### 1.8) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and that the revenue can be reliably measured, regardless of when the payment is received and when specific criteria have been met for each of the company's activities as described below. Revenue is shown net of Value Added Tax (VAT), returns, rebates and discounts.

Revenue is measured at the fair value of the consideration received or receivable for the sale of goods and services in the ordinary course of the company's activities.

##### i) *Sale of Goods and Services*

Revenue from Direct sales is recognised when the significant risks and rewards of ownership are transferred to the buyer, there is no continuing managerial involvement, costs can be measured reliably, and receipt of the future economic benefits is probable.

##### ii) *Government Subsidy*

Government subsidy is recognised where there is reasonable assurance that the subsidy will be received and all attached conditions will be complied with. When the subsidy relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

##### iii) *Miscellaneous Income*

Miscellaneous income is a group of small income derived from small works from the workshop and is recognised where there is reasonable assurance that the income will be received

##### 1.19) Cash and cash equivalents

Cash and cash equivalents comprises cash at bank and on hand, demand deposits, and short-term, highly liquid investments that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value. These also include Bank Overdrafts that form an integral part of the business's cash management.

##### 1.20) Allowance for Doubtful Debts

The company establishes an allowance for any doubtful debts based on a review of all outstanding amounts, either individually or collectively, at year end or based on government policy. Bad debts are written off during the period when they are identified.

The company periodically assesses whether there is any objective evidence of impairment. Trade and other receivables are presented net of allowances for doubtful debts.

All other trade and other receivables that do not have an individually assessed allowance are assessed collectively for impairment. Collectively assessed allowances are maintained to reduce the carrying amount of portfolios of similar trade and other receivables to their estimated recoverable amounts at balance date.

FOR THE YEAR ENDED 31 AUGUST 2017

### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *continued*

#### 1.21] Foreign Currency Translation

##### i) *Transaction and balances*

All foreign currency transactions during the financial year are brought to account using the exchange rate in effect at the date of the transaction. Foreign currency monetary items at reporting date are translated at the exchange rate existing at reporting date. Non-monetary assets and liabilities carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when the fair value was determined. Exchange differences are recognised in the statements of profit or loss in the period in which they arise.

| Subject: | BSL Tax Liabilities to be written off |       |                       |

Mauri Commissioner,

Following our recent memo emailed out on the 31<sup>st</sup> of August 2015 re BSL payment Liabilities, we would like to present the attached list of outstanding taxes which now need to be written off.

Referring to Cabinet meeting #31/15, Cabinet approved full settlement of all BSL liabilities and also agreed the write off of BSL Tax Liability. The total Tax liability owed is \$138,080 comprising of PAYE TAX due of \$124,685 plus VAT of \$13,395. Please refer to the attached list for your ease of reference.

Based on the foregoing, I would appreciate your appropriate action in writing off the amount of \$138,080 to clear BSL outstanding tax liability.

Yours Sincerely,

Maaman Ioakim  
Economist, Investment
