

**REPORT OF THE AUDITOR  
GENERAL  
ON THE ACCOUNT OF**

**Kiribati Provident Fund financial statement for  
the year ended 31 December 2007**

**Kiribati National Audit Office  
August 2012**

---

## **Audit Report**

### **To the readers of Kiribati Provident Fund's financial statements for the year ended 31 December 2007**

The Auditor-General is the auditor of Kiribati Provident Fund (KPF).

The audit covered the Fund's compliance with the requirements of Part VII of the Public Finances (Control and Audit) 1981 and KPF Act that apply to the financial statements of the KPF for the year ended 31 December 2007.

#### **Qualification.**

I am unable to satisfy myself as to the fairness of the Financial Statements for the Kiribati Provident Fund as at 31 December 2007 due to the following issues:

- Inadequacy of the control over Cash Receipting system.
- Significant variance of \$3.5m for Members accounts being the difference between the SSS (member account management system) and the General Ledger.
- The unallocated members account existed every year. For 2007 only, the unallocated members account was \$66k. There was insufficient information available to determine the accumulated outstanding balance of members account still unallocated.
- Inadequacy of the execution of staff loan policy.
- The related party transaction for the Education Support Investment portfolio was not disclosed in the notes to the account 2007.

- No signed agreement entered into between KPF and DBK for the Education Investment Policy.
- Discrepancy valued \$21K was noted between surcharge record and Financial statement balance.
- We have been unable to obtain information requested:
  - the ANZ Bank of Kiribati has not confirmed local bank balances, interest bearing deposits, guarantees and commitments.
  - the Fund's lawyer has not confirmed as to whether the Fund has any contingent liabilities;
  - KPF management has not provided a fixed assets register to support the fixed assets balance.
- Breach of Law – non compliance with key legislation.
  - The Board did not comply with clauses 38 – 42 of the Kiribati Provident Fund Ordinance 1977, which requires KPF officers to maintain an 'unclaimed deposits account' up to 5 years. Beyond 5 years then the UDA shall be transferred to the General reserve.

#### **Audit Opinion (Adverse Opinion)**

In view of the **limitation of scope** and the **effect of the significant variances noted in some of the account balances together with the non-compliance to KPF legislations, policies, and other mandatory professional reporting requirements** as outlined above, in our opinion, the financial statements of the Kiribati Provident Fund **DO NOT** present fairly the Funds Affairs as at 31 December 2007, its results and cashflows for the year ended on that date. An adverse opinion was issued on the financial statements of the Fund as at 31 December 2007.

The audit was completed on 17 August 2012, and is the date at which our opinion is expressed.

The basis of our opinion is explained below. In addition, we outline the responsibilities of the Board of Directors and the Auditor, and explain our independence.

## **Basis of Opinion**

We carried out the audit in accordance with the International Organisation of Supreme Audit Institution's (INTOSAI) Auditing Standards, which incorporate the International Auditing Standards.

We planned and performed the audit to obtain all the information and explanations we considered necessary in order to obtain reasonable assurance that the financial statements did not have material misstatements, whether caused by fraud or error.

Material misstatements are differences or omissions of amounts and disclosures that would affect a reader's overall understanding of the financial statements. If we had found material misstatements that were not corrected, we would have referred to them in our opinion.

The audit involved performing procedures to test the information presented in the financial statements. We assessed the results of those procedures in forming our opinion.

Audit procedures generally include:

- determining whether significant financial and management controls are working and can be relied on to produce complete and accurate data;
- verifying samples of transactions and account balances;
- performing analyses to identify anomalies in the reported data;
- reviewing significant estimates and judgements made by the Board of Directors;
- confirming year-end balances;
- determining whether accounting policies are appropriate and consistently applied; and
- determining whether all financial statement disclosures are adequate.

We did not examine every transaction, nor do we guarantee complete accuracy of the financial statements.

We evaluated the overall adequacy of the presentation of information in the financial statements. We obtained all the information and explanations we required to support our opinion above.

## **Responsibilities of the Board of Directors and the Auditor**

The Board of Directors is responsible for preparing the financial statements in accordance with generally accepted accounting practice. The financial statements must give a true and fair view of the financial position of the Fund as at 31 December 2007 and the results of its operations and cash flows for the year ended on that date. The Board of Directors' responsibilities arise from the Public Finance (Control and Audit) Act 1981 and KPF Act.

We are responsible for expressing an independent opinion on the financial statements and reporting that opinion to you. This responsibility arises from the Public Finance (Control and Audit) Act 1981.

### **Independence**

When carrying out the audit we followed the independence requirements of the Kiribati National Audit Office, which incorporate the independence requirements of the International Standards of Auditing.

Other than the audit, we have no relationship with or interests in the Fund.

Mrs Matereta. Raiman  
Auditor General  
Kiribati National Audit Office
